Tailor made Corporate
Days on the River Itchen

Corporate
Days

The prestigious Lower Itchen Fishery has been hosting exclusive lunches and fishing days for a number of years.

The tailor made days can be organised for small, intimate groups or larger parties of 20 or so.

The days are suitable and enjoyable for all ages and abilities from total beginners to the experienced fisherman.

Located on the world famous River Itchen in Hampshire, the Lower Itchen Fishery has over 3 miles of crystal clear chalk stream salmon and trout fishing for you to enjoy. When you add a sumptuous lunch and fine wines, you have all the ingredients for a truly memorable day.

“We do all the work and provide everything you need - you just invite your guests and arrive at the fishery.

I do hope I have whetted your appetite. We should be delighted to show you around our fishery, answer any questions you may have, and discuss your requirements in more detail.”

Lyndsey Farmiloe
Managing Director, Lower Itchen Fishery

The Daily Telegraph reported that most big business deals were being brokered on the river bank and not on the golf course.

A day at the fishery could include:

- Exclusive use of our trout and salmon beats;
- Tuition where required;
- Experienced ghillies;
- Coffee and hot bacon rolls on arrival;
- Mid morning coffee and biscuits beside the river;
- 3 course lunch on the riverbank or in the Fishing hut by the river if wet;
- Cream tea and cakes;
- The chance to stay to fish the evening rise followed by an evening snack before departure;
- The use of suitable fishing tackle for the day;
- A suitable selection of flies for each guest;
- An information CD to send to all guests;
- Environment Agency Rod Licence for each guest.

The Fishery is pleased to offer a glass of champagne on arrival with your bacon roll and wines with lunch. Beers and soft drinks are freely available throughout the day.
